**LIFE GROUP STUDY NOTES**  
**“CONFIDENCE *in* CHRIST”**  
*Jesus Superior to Moses*

**GETTING STARTED** *“In your opinion...”*

1. This week’s message focused on how Jesus is superior to Moses and how the good can sometimes prevent what’s best. Even though most of us can’t remember that far back, was there anything from the sermon that was helpful, eye-opening, or troubling?
2. Why do we humans typically look to other humans first when facing difficulties?
3. What makes it so difficult to keep Jesus the first and foremost relational influence in our life?
4. What can we do to minimize these difficulties?

**GOING DEEPER** *“According to the Bible...”*

*Answer the following questions from what the Bible says in the suggested reading*

- **Read Ephesians 2:19, 20** In the sermon we noted that Jesus is the builder of God’s house, His church. Of whom is God’s house made up and upon whom is it built?
- **Read Ephesians 4:11-16.** What is the role of people in partnering with Jesus for building up the church? What is your spiritual gift?
- **Read Romans 12:1, 2.** What is required to avoid conforming to the ways of the world? Do our minds really need transformation? How does that happen?
- **Read 2 Corinthians 10:5.** What thoughts need to be taken captive and what do we need to do with them? What does that mean?
- **Read John 14:21.** We get to know people when we are very observant and they open themselves up to us. What can we do that allows us to know Jesus better?

**LIVING OUT**

- **What can you do to know Jesus better each day?**
