LIFE GROUP STUDY NOTES
'PHYSICAL' GROWTH

GETTING STARTED

1. What insights or observations from this week's message did you find to be helpful, eye-opening, or troubling? Explain.
2. In 1 Corinthians 9:27, what motivated the apostle Paul to beat up his body and make it his slave? What is it about our body that makes us want to quit?
3. Read 1 Corinthians 9:24-27. Why does Paul compare life to a race?
4. Read what Paul endured in 2 Corinthians 11:23-29. Why would anyone endure this and keep doing the things that caused it?

GOING DEEPER

What dreams have you had? Did you reach them? What did you learn in the process?

What does it take to endure hardship to achieve a dream?

Read Hebrews 12:1-3. What "dream" kept Jesus from quitting while his body was beaten up?

Read Hebrews 12:4-11. To what is suffering compared to, and how can discipline be a good thing? What is God's dream for us in this situation?

What dream(s) are you currently pursuing? Are you experiencing any difficulty achieving that dream?
