**GETTING STARTED** *“In your opinion...”*

1. This week we focused on the last week of Jesus before He was crucified. Was there anything from the sermon that was helpful, eye-opening, or troubling?
2. Have you ever experienced a life change that happened within the space of one week whether your life unexpectedly went from bad to good or good to bad in a short amount of time?
3. Was the Passion week a tragedy or was it part of the greater plan for Jesus’ life?
4. Is it possible that God might also have a greater plan for our life if things ever go from good to bad in a short amount of time?
